Sir,

Sub: Your RTI Appeal – req.

This has reference to your online Appeal dated 01/06/2020 under RTI Act, 2005. Your appeal vis-à-vis the reply (vide letter dated 29/05/2020) given by the CPIO/POWERGRID Southern Region-II have been considered carefully. It is found that the CPIO has furnished information as per the records available and also provided the same within the time frame stipulated under RTI Act, 2005. However, further clarification sought in the appeal is furnished below:

The age of the tree, fertility of the land and yield component of the tamarind trees will be assessed by physical inspection of the concerned block Horticultural Officer. Upon certification of age and valuation, the tree compensation payment is made to the affected land owner in general. The approximate compensation value as issued by Horticulture Department of Dharmapuri District for one tamarind tree having age slab in between 15-25 years is Rs.10,750.

I hope the above information satisfies your concerns regarding this matter.

Thanking you,

Yours faithfully,

(S.RAVI)
