Information Sought :	<p>It is known that many heavy industries operate in rotating shift. Your industry Power Grid Corporation is also operating in rotating shift and two types of officers are engaged in daily routine activities: one is Shift officers and second is general shift officers.</p> <p>Officers who are involved in shift duty can get extra wages as shift compensation like shift allowance, rotating shift compensation, health Allowance or any other form of allowance. But this has been discontinued since the last two years.</p> <p>I have some queries regarding shift compensation which has been discontinued as mentioned below:</p> <ol style="list-style-type: none"> 1. Is your industry Power Grid Corporation making any additional payments to officers who are involved in shift activities? Kindly provide the current status. 2. Kindly mention when it was discontinued along with detailed reason 3. If there is any CAG objection or Audit Query, kindly provide full details along with enclosures.
