The overhead transmission lines in the country are constructed as per the Central Electricity Authority's Regulations 2010/2011 viz. "Technical Standards for Construction of Electrical Plants and Electric Lines", "Measures relating to Safety and Electric Supply" & "Safety requirements for Construction, Operation and Maintenance of Electrical Plants and Electric Lines" as well as Bureau of Indian Standard IS: 5613. These regulations/ standards can be accessed by public from CEA/ BIS website.

1) Reply to Query 1

The minimum electrical clearances (horizontal or vertical) of overhead lines of different voltage levels are stipulated in the CEA's Regulations for "Measures relating to Safety and Electric Supply, 2010".

2) Reply to Query 2

Provisions regarding Design & Construction of Transmission lines, routing, etc. are covered under CEA "Technical Standards for Construction of Electrical Plants and Electric Lines" Regulations 2010.

3) Reply to Query 3

The information sought is not available with POWERGRID
