Text of RTI First Appeal :	<p>Applied information under RTI act. Applied application under clause life and liberty thus information was supposed to be given in 48 hours. Not only there was unnecessary delay in providing information but also information was denied on Query No. 2 quoting RTI act section 8(1).. Query no 2 was to provide copy of contract, agreement to provide UGOFC to any person or party at lowest price whichever given. I wish to submit that CIC and high court have delivered various judgements on the similar issue. somehow CPIOs choose to ignore them. whenever any government organization, PSU enter into agreement even with private 3rd party. it is a public activity and information cannot be withheld. i am attaching a CIC judgement pertaining to similar scenario. kindly go through. Information require is purely in public interest and require for the purpose to follow the matter relating to future of children. Thus keeping in view of life and liberty clause, direct CPIO to provide information on query number 2 within 48 hours, i shall be very thankful.</p>
