Grounds of Appeal

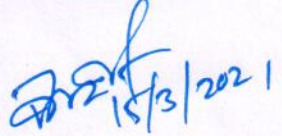

The Appellate Authority has received an online appeal bearing number PGCIL/A/E/21/00010 on 02.03.2021 from Ms. Veena Singh. Earlier, the appellant herein had filed an online RTI application bearing numbers PGCIL/R/E/21/00048 dated 25.01.2021 (received on 27.01.2021), with the CPIO Corporate Centre, seeking information related to Monitoring Mechanism for the CSR Projects executed through MOU route. The instant appeal has been preferred on the ground that the CPIO has not provided the information within the stipulated time.

Order:

The RTI application dated 25.01.2021 was received on 27.01.2021 and in response to the same reply was given by the CPIO on 03.03.2021. Though the reply should have been given within thirty days but there was a delay of about a week in sending the reply hence, this appeal.

It is noticed that CPIO had sent communication vide letter dated 25.02.2021 regarding the delay in collection of information and assured submission of reply soon after collection of the same. In my considered opinion, the delay is not inordinate. In future CPIO should take steps for expeditious collection of information and reply within the time stipulated under RTI Act.

The appeal is accordingly disposed of.
