dated the 31<sup>st</sup> December, 1992, to all Ministries/Departments, etc.**

**Subject:—Reservation for SC/ST—Demand from service association for circulation of the reservation roster.**

The undersigned is directed to say that a demand was made by the Staff Side in the 49th ordinary meeting of the Departmental Council (JCM) of this Department requesting that the roster maintained by the administration (40 point roster or 100 point roster, as the case may be) to secure proper representation for SC/ST should be circulated once in a year, to enable the staff to make representations against any deficiencies or non-compliance of the orders and instructions regarding reservation for SC/ST. This demand was discussed in the meeting and further examined in this Department. The reservation roster is not a confidential document and, therefore, there can be no objection in principle to the roster being shown to any individual/association. It is, therefore, considered that if any Govt. servant/recognized service association want to see the reservation roster, there can be no objection to the roster being shown to them, if need be, through the Liaison Officer.
