Information Sought :	<p>Why cant online registration for new power connections be made on mobidyut.com from April 1, 2021? This is because the OTP does not come so that it cannot be ONLINE APPLY. Neither JE nor the SDO can provide accurate information. Electrical connection is essential. NESCO will do the FINE if you connect the power without applying online. Then when will OTP come and as a result we can APPLY ONLINE.</p>
