Information Sought :	<p>Kindly refer to my earlier RTIs PGCIL/R/E/21/00144 Dt.18.03.2021 and PGCIL/R/E/21/00138 Dt.18.03.2021. The information sought by me on the coordinates of pillars AP1 to AP17 / coordinates of pillars to be erected in Delhi state was denied by stating that Information sought cannot be disclosed by virtue of Section 8 (1) (a), (d) of the Right to Information Act, 2005 and by reference to the Official Secrets Act, 1923 as the disclosure of the requested information would prejudicially affect the security and strategic interest of the State and the disclosure of the requisite information does not outweigh the harm to the protected interests as per Section 8 (2) of the Right to Information Act, 2005. In this regard, it is pertinent to mention that the pillar AP13 is currently being erected on the land owned by my grandfather, and therefore I have every right to know whether the said pillar, in real, has to erect and is approved to be erected on the piece of land owner by my family member. Owing the sincere respect to the Official Secrets Act, 1923 and understanding the basic purpose of the RTI Act, it is therefore requested that the coordinates of pillar AP13 may kindly be provided to me. The requisite information may kindly be provided to me on my email id strangedinu@gmail.com</p>
