Subject: Regarding information to RTI Application Dt.17.06.2021 and Online RTI application Registration No.PGCIL/R/T/21/00062 Dt.23.06.2021 under RTI Act-2005.

Sir,

This has reference to your RTI Application Dt.17.06.2021 received on 23.06.2021 along with Postal Order No. 38F 919393 and online RTI application Registration No.PGCIL/R/T/21/00062 Dt.23.06.2021 of Shri Padamjit Singh vide which your RTI application Dt.17.06.2021 is attached. The Online RTI application is received through Ministry of Power with reference No. POWER/R/P/21/00124. In this regard point-wise information as sought by you under RTI Act-2005 is as below:

Poin tNo.	Contents of the point on which the information sought	Information provided by PKTSL
1.	Provide Survey Report (Social Assessment Report) of the High Tension Electricity Project of 765KV Double Circuit Line From Sikar To Aligarh which is constructing by PGCIL.	Social Impact Assessment is normally applicable in case of involuntary land acquisition under provisions of The Right to Fair compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (RFCTLARRA). The Social Impact Assessment is not applicable since the provisions of RFCTLARRA, 2013 are not applicable as there is no acquisition of land in transmission line projects.
2	Provide the complete Draft Resettlement Plan for Compensation for the state of Uttar Pradesh, Haryana and Rajasthan prepared by PGCIL for teh project of 765 KV from Sikar To Aligarh.	As explained above, no land acquisition is involved for transmission line project of 765 kV from Sikar to Aligarh. The land needed for substation at Sikar is also not compulsorily acquired by invoking provisions of RFCTLARRA, 2013 and is being secured through direct purchase on "Willing buyer, Willing seller" basis on negotiated price and land at Aligarh is already available within the existing substation and no fresh land is acquisition <i>is involved in this case. Since no</i>

		resettlement/ displacement is involved in direct purchase of land, no separate Resettlement Plan is either required or prepared. As regard compensation for transmission lines, all damages including land cost for tower base and for corridor on account of diminution of land cost is provided to all eligible persons if provision of MoP guidelines have been adopted by concerned State (Haryana and Rajasthan have not yet adopted the MoP guidelines, hence, no land compensation is payable in Haryana and Rajasthan).
3	Provide the site Map of the Project of Tehsil Hodal, District Palwal(Haryana) and Tehsil Chhata District Mathura, (Uttar Pradesh) which prepared by the PGCIL during the Survey of the Fields of both the states from which the Corridor (RoW) will be passed over and Towers will be erected.	Copy of the Map Attached at Annexure-I.
4	What is the Policy of Asian Development Bank for the project of PGCIL from Sikar to Aligarh.	Not applicable as the instant project is not funded by multilateral funding agencies such as Asian Development Bank (ADB).
