ORDER

Grounds of Appeal

The Appellate Authority has received an appeal ref. **PGCIL/A/E/21/00044 dated 04/10/2021** from Mr. Vala Bhupendrakumar R, (appellant). Earlier, the appellant herein had filed an RTI application dated **06/08/2021**, with the CPIO Corporate Centre, seeking information related to auxiliary power. The appellant has contended that point number one and two of the information sought were provided correctly, however, point number three has been responded incompletely and the instant appeal has been preferred on this ground.

Order:

I have seen the RTI application dated 06th Aug '21, filed by the appellant, wherein he had sought the information related to energy as well as capacity charges paid by POWERGRID for power drawn from tertiary winding. I have also perused the reply dated 26th Aug '21 sent by the CPIO and other relevant documents. It can be seen that vide its reply the CPIO had communicated that payment against consumption of power from tertiary is being done by concerned substation based on bills raised by respective DISCOM.

The CPIO is hereby directed to clarify the information to the appellant within fourteen days of this order.

The appeal is accordingly disposed of.
