Sir,

Sub: Information sought under RTI Act, 2005 – reg.

This has reference to your application dated 02/08/2021 under RTI Act, 2005 received at this office on 05/08/2021. It is seen from the application that the query contained in the application is vague and not specific. It is understood that the applicant has not requested for any 'information' as defined under Section 2(f) of the RTI Act, 2005. However, if the applicant still wishes to get information, he may prefer a fresh application before the CPIO specifying clearly the exact information he wants from POWERGRID.

Thanking you,

Yours faithfully,
