Dear Sir,

RE: INFORMATION UNDER RTI ACT, 2005. (WORK ORDER NO. N 1/C&M/17-18/ULDC/LOA/72  
DATED 31.08.2017

WE understand that some of the companies/parties, individuals have approached or shall be approaching your institution seeking certain confidential information in respect of our company including quotation made by us or Invoices raised by us or Payment made by you or payment yet to remitted by you. In this context, we may inform you that these parties or individuals are basically competitors to us in OPGW segment and due to some frustration or inability to compete us in the market, intends malign us in the market by creating utter confusion in the minds of owners of new projects stating our inability to complete quality work on time which will tarnish our goodwill earned by us with our hard work. Some of these individuals are blackmailing us and intends to join hands with us as they lack experienced and technical hands to complete OPGW projects.

By this communication, we request you not to disclose any information relating to us even payment aspects to these applicants. We are exercising/opting this right under Section 8 of Right to Information Act, 2005. Any disclosure of information relating to us shall result in irreparable loss to us, and you shall become a party to that.

We hope you shall consider our respect sympathetically and will not pass any information to any applicant.
