Information Sought :	<p>Sir Madam</p> <p>Want Information and Details regarding Ex FTB employees Pay protection rules and benefits with respect to POWERGRID IOM dated 02.09. 2019</p> <p>I found that Powergrid ammended Pay Rules to FTB employees in 2019. As a Ex employee, I strongly believe Powergrid benefits all its employees in all respects.</p> <p>At the time of my tenure with POWERGRID (2014 2016) Consolidated pay given to FTB employees and the EPF amount deducted on Consolidated payment only (that is why I treat it as Basic). It is the reason We got only Basic salary as consolidated pay for every month and the same doesnot meet our needs at that time w.r.t Permanent employee on same rank.</p> <p>Now Matter comes to Pay Protection That POWERGRID announced on 2019.</p> <p>I want information that with respect to their IOM DTD 02.09.2019</p> <p>1) If I will join in 2021 as FTB employee again, What is the pay protection rule applicable for me(as my tenure completed with POWERGRID as Consolidated Payment of Rs 25,500 which is nearly Basic pay of Permanent Diploma Trainee Engineer in POWERGRID) ?</p> <p>2) I want Detail clarification about the same w.r.t experience of Ex employee who are relieved on or before 2019 ? What benefits avail ex FTB employee from POWERGRID after this IOM as per Clause no 06 in their IOM dated 02.09.2019 regarding Pay Protection for FTB employees ?</p> <p>3) Detail Pay structure for Field supervisor and Field Engineer in CTC Structure for FTB require ?</p>		

- 4) What are the benefits that POWERGRID gave to FTB w.r.t their Permanent employee in same Grade ?
- 5) Is any Education Leave avail for FTB employees at their tenure to prepare/Attending for GATE exam?

Thanking you
