ORDER

Grounds of Appeal

The Appellate Authority has received an appeal ref. **PGCIL/A/E/22/00006 dated 30/01/2021** from Shri Anoop K M (appellant). Earlier, the appellant herein had filed an RTI application ref. PGCIL/R/E/21/00500 dated 21/12/2021, with the CPIO Corporate Centre, seeking information related to promotion from S4/SSG to E2 grade for DPC conducted in 2020. The instant appeal has been preferred as the appellant is not satisfied with the response provided particularly related to point number five of his RTI application.

Order:

I have seen the aforesaid RTI application and have also perused the reply dated 21/01/2022 sent by the CPIO and other relevant documents. The appellant in the subject appeal has acknowledged the reply, however he is seeking information related to percentage of marks earmarked for interview purpose only, without any other component such as seniority, performance etc.

In my considered opinion, the information as sought under RTI query has already been provided as the reply categorically mentions the weightage of marks for internal as well as external candidates.

In view of the foregoing submissions, the appeal is accordingly disposed of.
