**Subject:** Regarding information to RTI Applications Dt.30.11.2021 under RTI Act-2005

Sir,

This has reference to your RTI applications Dt.30.11.2021 received through Ballabgarh and Bahadurgarh POWERGRID, Office vides which you have sought information under RTI Act, 2005.

On going through the contents on which the information sought by you, the matter was referred to the concerned Department. In this regard it is to intimated that as per terms and conditions of the contract the applicable BG was to be submitted within 15 days from the date of LOA.

The agency had supplied the portable emergency lights within the time schedule (last light was supplied at Sikar Station on 7<sup>th</sup> December 2020). However, while releasing the payment an amount of Rs.5943/- was deducted from the bills w.e.t. Ballabgarh, Bahadurgarh, Sonipat and Koteshwar i.e. 04 stations due to pending confirmation of BG from Bank. The deducted Retention amount against CPG is releasable on the request received from the Vendor through Site as now the CPG is confirmed in SAP. Now, BG confirmation has been received subsequently. The payment can be released subsequent to BTS generation by agency.

Thanking you.

Yours faithfully,

[Rajesh V]
