Sub:- Reply to the Application filed by B.M. Bhagya and Others
Dated 02.02.2019 addressing to AGM, PGCI.

Respected Sir,

Under the Instruction and on behalf of my client of Mr. B.M. Balaraj, I would like to bring to your kind notice and immediate action, the following facts and events are with respect of the property of my clients bearing no 7/1 and 7/2, of Thirumagondana Halli, Tobugere Hobli, Doddaballapura Taluk, Bangalore District and an application filed by Smt. B.M. Bhagya, Smt. B.M. Vanaja, Smt. B.M. Padma, Smt. B.M. Rekha through an Advocate Associates namely, Samarathana Associates. For the sake of brevity and better understanding of the possession of parties B.M. Bhagya, B.M. Vanaja, B.M. Padma, B.M. Rekha are the Applicants/ Plaintiffs and Mr. B.M. Balaraj is the Opponent/ Defendant.

1. My client informed that the above Applicant is filed before The AGM (E&A), Power Grid Corporation of India Ltd, SRTS-II, Bangalore on 08.02.2019 is unlawful, barred and bald. The Applicants has deliberately described the same with ulterior motive. The Application is false, frivolous and vexatious. It is false to mention that the Applicants is the co- parceners/ Joint Owners of the above survey number under the suit no O.S. No. 8369/2010 because only the preliminary proceeding is done and there is lot of scope for Appeal and Final Decree Proceeding (FDP) has not yet completed.
2. My client further informs us that Mr B.M. Balaraj is the owner in possession of above mentioned survey number. He is paying the property taxes, using and maintaining the property, making expenditure for development of the property, he engaging in the agricultural activity and he has inherited the property (Sale deed 1944 Annexed as - A). In the year 1970 it self his name appeared in the RTC (copy of RTC is Annexed - B) and for the sake of tax and smooth running of the family, later it came to his mother name P. Jayalakshamma.
3. My client informs us that the Applicants has file a false and frivolous, fraudulent and concocted case against the Opponent in City Civil Court, Bangalore as O.S 8369/2010 and has failed to establish the case and miserably failed. Even after knowing that the Basavanagudi property was belonging to B.M Balaraj through a registered deed they filed a suit in court for grabbing the property portraying that they are a co-parceners / Joint owners by cooked up false stories and providing

concocted evidences (May refer Judgement submitted by the Applicant). The Applicants are so self-cantered, greedy, narrow minded and tried to grab the property of B.M.Balaraj but they could not succeed. Further that even after B.M. Balaraj left the Jayanagar property from 1980 for enjoyment of the Applicants with huge bungalow and revenue generating building and he stayed in a 90 year old tails roof house. The applicants are so greedy that they tried to grab all the properties that to even now they are enjoying the properties rental income without sharing. Wherein B.M Balaraj is the one who built the building and repaid the loan (Annexed Loan repayment 7-challens as C - and loan statement - D) made by his father and took care of the entire family for which today they proceed for a criminal action.

4. My client informed that Applicants have filed false applications and wrongly swore in affidavit (Annexed - E) filed for katha change in respect of Jayanagar Property, portraying that Late. Munivenaktaswamy had only daughters and got Khata changed at BBMP, by played fraud against the brother. The applicants have forged B.M. Balaraj signature for getting the original documents of Jayanagar Property discharged from Karnataka Housing Board (Affidavit is Annexed - F) even after knowing, he did not raise his little finger and objected rather pardoned them. This shows that applicants are not in clean hands they are tainted.
5. My client has informed that the O.S 8369/ 2010 case got preliminary judgement on 23.04.2018. Applicants has not filed any appeal and limitation period for appeal is lapsed, and has not filed any Final Decree Proceeding which shows that they are trying to drag , delay the proceeding of the court and derailing the course of Justice in the name of settlement, where in as claimed by the applicants that there share over the survey number 7/1 and 7/2 is not yet finally demarcated and it is yet to decided, tell then the matter is still pending in the City Civil Court, (CCH 31) Bangalore. As stated by the applicants in their application Para 3 (Application annexed - G). According to the Prakash Vs Pulavathis Case supreme court has layed down that the female co-parceners would only get the property share of the ancestors, if the father is alive as on 2005 and the law is only prospective. But in the instant case father died in the year 1980 and the opponent will challenge the share of the applicants in the appropriate forum.
6. My client informed that it is falsely stated in Para 2 of the application that they have filed written objection for the Katha Transfer of the survey no. 7/1 and 7/2, but there is no such application is filed by any of the Applicants. As stated in Para 3 and 4 it is sated that they were "aware of the Hi tension wire and inquired about the land and were shocked that compensation was taken" are all false, wherein the properties' acquired by the Government was notified on 08.08.2014 (Notification is Annexed- H) acquired and used by POWER CORPORATION for hi-tension power transmission of 765 K.V Madhugiri- Dharmपुरi Line, if they would have know about the land they would have approached the court or appropriate

authorities for appropriate action, but no efforts is made by them, it is B. M Balaraj who is using the land cultivating and maintaining the land by paying taxes and the same is admitted by the Applicant in the court (Please refer the Annexure - I Page 17 and 18) and applicant was no ware connected to the land and neither are in possession nor enjoyment, as the matter of fact they have no Right to claim any share as there is long delay and laches, actually it is the opponent who is paying tax (Tax Receipt Annexed -J) cultivating and is in possession and compensation was also taken long back. If they have any claim over compensation then they have to approach Court and not Power Grid Corporation. Hence the application should be rejected.

7. My clients informs us that documents submitted by the BM Balaraj are all correct and there is no misrepresentation the order of grant of compensation is B.M.Balaraj is correct and justifiable, the nature of the application is a civil in nature and jurisdiction of the matter shall fall to City civil court to decide the matter, if any. My client is a law abiding person and he would accept the order of court, if any. Hence the application has to be dismissed.

Thanking You

Yours Faithfully
