ORDER

Grounds of Appeal

The Appellate Authority has received an online appeal bearing number **PGCIL/A/E/22/00010** dated **11/03/2022** from Mr. Jairam meena, (appellant). Earlier, the appellant herein had filed an online RTI application bearing number **PGCIL/R/E/22/00047** dated **05/02/2022**, with the CPIO Corporate Centre. The instant appeal has been preferred on the ground that the CPIO has provided incomplete, misleading or false information.

Order:

I have seen the RTI application filed by the appellant. I have also perused the reply dated 08/03/2022 sent by the CPIO and other relevant documents. It can be seen that vide its reply the CPIO had furnished the information as was available and covered under the definition of 'information' as per RTI Act 2005. It is noteworthy that in the instant appeal the appellant is seeking reason, basis which a decision has been taken. In my considered view, this does not fall within the definition of information as provided under section 2(f). As submitted hereinabove the information as was available has already been provided

In view of the foregoing submission, the appeal is disposed of.
