Dear Mr. Subramanyan :

Hearty Congratulations on the Project Submission to the Ministry of Power. The Ministry of Power has requested the Government of India to approve the same.

I would like to Congratulate you, Mr. Purushottam Reddy and your Team Members Mr. Hemkumar Tyagi and Mr. Kakani Prakash on your efforts to make the project a huge success. The Project on the Waste Management will be an addition to the Government's Success in the field of Green Environment and in the participation of reducing the Global Warming. I appreciate the Team who invested their time in bringing out such an excellent project.

The Cabinet will be going through the documentation and will approve or request you to modify the same if required. Benefitting the Economy and Contributing to the Nation's Growth by you and your Team are highly appreciated.

Best Wishes,
