Dear Sir,

This is in reference to the above referred Tenders for O&M flouted by Powergrid wherein different Qualifying Criteria(s) have been provided.

In this respect, I request you to provide the following information under the provisions of the Right to Information Act:

1. What is the reason for variation in the Qualifying Criteria when the nature of scope of work is the same?

## **Vivek Punia**

### **Advocate**

2. Is there any procedure/SOP/guidelines adopted to ensure uniformity of Qualifying Criteria across various regions of Powergrid? If yes, please provide a copy.
3. If answer to Question 2 is no, then is there any procedure/SOP/guidelines to ensure no favouritism is shown to any bidder? If yes, please provide a copy.
4. What were the contract award prices for the above referred tenders?
5. What were the estimates prepared by Powergrid in respect of the above referred tenders?
6. Whether there is any procedure/SOP/guidelines for analysis of the viability of the prices emerged from the bidding in the tenders? If yes, please provide a copy.
7. Whether viability analysis of the bids was carried out in respect of the above referred tenders?
8. Whether there is any procedure/SOP/guidelines for ensuring compliance of tender conditions such as deployment of experienced engineers/ technicians/electricians, T & P, vehicles etc. as specified in tender documents? If yes, please provide a copy.
9. Whether there is any procedure/SOP/guidelines for verifying payment of wages as per tender requirements? If yes, please provide a copy.
10. Whether there is any procedure/SOP/guidelines to ensure there is no sub-contracting by O&M agencies/contractors and the staff deployed is actually on their rolls? If yes, please provide a copy.

The undersigned also states that I am a citizen of India and I am eligible to seek information under the Right to Information Act.

**Vivek Punia**  
**Advocate**

That the undersigned undertakes to pay the requisite fees payable for the cost of the photocopy etc.

Regards,

Vivek Punia, Advocate
