<b>Ground For Appeal :</b>	Refused access to Information Requested		
<b>Text of RTI First Appeal :</b>	<p>Sir My RTI Application was rejected and returned back on the ground that information sought does not pertain to powergrid. I have annexed herewith copy of an agreement between Dedicated Freight Corridor Corporation of India Limited and Power Grid Corporation of India Limited. On bare perusal of page number 7 of this agreement, it shall be proved beyond any shadow of doubt that the sought information pertains to POWER Grid. The Agreement covers the 132KV transmission line, which is the subject matter of my RTI. Further, a notice / letter issued by Power Grid regarding the 132 KV transmission line is also annexed herewith, which is also an undisputable proof that power grid is associated with the 132KV transmission line. . Hence, it is respectfully requested to kindly:- Allow my Appeal. Direct the CPIO to provide correct and timely information under RTI Act. Direct the CPIO to give reasons in writing as to why information was denied on false grounds. Pass such order as may be necessary to meet the ends of justice.</p>
