ORDER

The Appellant **Shri Rajendra Prasad, 203, Haripriya Apartments Tilak Road Meerut-250001** vide his Online RTI Application Registration No.PGCIL/R/E/22/00143 Dt.15.04.2022 with regard to 132kV Sakauti-Hapur Transmission Line (DFCCIL) had requested for furnishing information under the provisions of Right to Information Act, 2005. CPIO, CC through RTIMIS Portal has rejected and returned back the RTI application by mentioning that information sought does not pertain to POWERGRID.

Now, first Online RTI Appeal Registration No.PGCIL/A/E/22/00018 Dt.20.04.2022 has been filed by the appellant through RTIMIS Portal. Vide his appeal the appellant has attached an agreement between Dedicated Freight Corridor Corporation of India Limited and POWERGRID and on the basis of that agreement he tried to prove that the contents on which the information sought by him is pertains to POWERGRID.

Therefore, ongoing through the contents of Online RTI Application and Appeal the concerned office/site is directed to provide input/information desired by the appellant. In this regard, para-wise information is as below:

Para No.	Contents of the Para	Information provided by POWERGRID
1	Please provide the degree angle at which tower number 32/0 loop out and tower number 33/0 loop out will cross the railway line, (railway line is between these two towers)	Crossing Angle – Nearly 90°
2	Please provide the degree angle at which tower number 31/0 loop out and tower number 32/0 loop out will cross the national highway (national highway is between these two towers)	Crossing Angle – 78°

3	Please provide information whether tower number 31/0 loop out, tower number 32/0 loop out, and tower number 33/0 loop out were on the same degree angle in the previous survey also, as they are on the current survey? Or is there any change been made to their degree angle in the current survey map? Please provide reasons for such change in degree angle in current map.	There is no change and route are as per initial survey.
4	Whether any person has made any objection regarding tower number 31/0 loop out, tower number 32/0 loop out, and tower number 33/0 loop out. Please provide copy of objection and copy of decision made on that objection.	No written objection has been received.

Now, from the above it is concluded that the para-wise information sought by you is being provided as above and, therefore, appeal is disposed-off.
