Information Sought :	<p>Dear Sir/Madam,</p> <p>I Sushant Shukla is a resident of C-97 SF BLCK C2, BPTP Astaire Gardens, Sector 70A, Gurgaon, Haryana since October 2019. I pay my electricity bill to the facility management services of BPTP and subsequently they pay the amount to DHVBN. However, I have seen multiple anomalies in the bill generated by the facility office also, there are multiple power outage sometime for more than 15 hours straight. To which we are told that power supply is cut from DHVBNs end and We are charged hefty amount for power consumptions through diesel generator. Therefore, I request you to provide with data of power cut/outages from DHVBNs side from October 2019 till April 2022. The data must include, date wise power outages/cuts with time and well defined reason.A detailed report is highly solicited. I am attaching the energy consumption report both on DG and power grid for the said time frame for your perusal.</p>
