No. F12/0025/RREC/Solar Park/SOLTOWN INFRA PRIVATE LIMITED/2019/D-0456

Dt. 23.09.2021

Soltown Infra Pvt Ltd,  
D-29, Cooperative Society Colony,  
Sodala, Jaipur-301019.

Sub: Proposal for setting up of 2000 MW Solar parks of M/s Soltown Infra Pvt Ltd at Bikaner district in the State of Rajasthan under Solar Energy Policy, 2019 (Reg. No. SP/2019/0020)

This is in reference to your Proposal for registration of 2000 MW Solar Park to be established at Village-Sarah Borla, Tehsil-Bikaner, District-Bikaner under Rajasthan Solar Energy Policy, 2019. In this connection, it is intimated that on deposition of registration charges Rs. 10 Lac plus GST @18%, your proposal is hereby accepted as per Clause No. 12 "Solar Park" of Rajasthan Solar Energy Policy, 2019. Your Solar Park is registered w.e.f 22.09.2021 vide registration No. SP/2019/0020 subject to the following terms and conditions:

1. Power evacuation approval will have to require from RVPN/Discoms for your solar park and will have to follow the directions given by RVPN/Discoms, Otherwise Grid connectivity for the power evacuation shall not be binding on RVPN/Discoms.
2. Separate power evacuation approval and registration will be required for each solar power project.
3. Terms and conditions as mutually agreed between you and power producers for setting up the solar power plants in your solar park will have to be complied by you.
4. All the terms and conditions as laid down in Rajasthan Solar Energy Policy, 2019 as amended from time to time shall be strictly complied with and followed by you.
5. The GoR/RREC or its authorized representatives shall have right of access to all parts of the Solar Park at all reasonable times.
6. The GoR reserves the right to revoke, add and/or delete any terms and conditions of this clearance/approval and /or cancel it at any stage without assigning any reason what so ever.
7. All electrical installations including internal transmission systems developed by you or the power Producer Shall be strictly in line with prudent practices of RVPN/ Discoms and shall confirm to Rajasthan Electricity Grid Code.
8. Safety of all plant, machinery, equipment, material and personnel shall be your responsibility.

9. You will comply with Grid code including Load Dispatch and System Operation Code, Metering Code, Protection Code, Safety Code, relevant regulations/orders of the appropriate authority etc. as applicable from time to time in the State of Rajasthan.
10. All Required Statutory Clearances from various Department/ Agencies Shall be obtained by you at your end.
11. In case size of the solar park is increased at a later date, you will have to get the approval of RREC and Deposit the requisite processing fee as per Clause No.12 of the Rajasthan Solar Energy Policy, 2019.
12. In case any financial liabilities arises due to any change in Policy, Rules and guidelines of State & Central Government, same shall be borne by you as and when demand raised by RREC or any authorized agency of the government.
