| **Does it concern the life or Liberty of a Person ? :** | No(Normal) | **Request Pertains to :** | |

**Information Sought :**

The queries are regarding the post of Assistant Engineer Trainee (CS) Through GATE 2021:

1. Pre Employment List is not explanatory about Candidate detail (Name, category and rank). Even the UPSC civil services result does not hide such detail. Please publish the exact details( Name, Category, Rank) of candidates. So, there could be proper visibility to the recruitment process.

Pre Employment Medical Examination List:
https://www.powergrid.in/sites/default/files/Pre-Employment_Medical_Examination_Notice_AET.pdf

2. I am concerned about the marking scheme of GD and Interview process. Even though my GD went well, my marks were quite low (7/20). I am confident because I was screened in the Indian navy SSB through GD. Similarly, I am not sure why my interview marks were so low (47/100). Kindly, let me know the reason behind it as well as the marking scheme of GD and Interview process.

3. Total number of vacancies during the advertisement are mismatching from the number of offers sent to pre-employment medical examination candidates and the actual merit cutoff. Please let me know the reason for the change without any notice and current actual openings in all categories.

Advertisement openings: 34
Merit cut-off candidates: 58
pre-employment medical examination offers: 50
