Dear Sir,
As per PO no. 5200030962 we completed revetment work under Bero s/s Oct-2021 but even after more than 03 month we are talking with Soren sir for billing but he is not interested for billing. As per his instructions we have submitted a final time extension letter and final deviation statement 02 months

back (copy enclosed in earlier mail). The site measurements also done by Kameshwar sir long back(copy enclosed)

Sir we are an MSME firm and about 9 lakh payments are pending with POWERGRID, Bero TL which is under your control. So, we are requesting you to see the case so that a MSME firm gets benefited else we are going to take legal action as per MSME vendor payment delay act. All bill related documents enclosed with this mail.

Thanking you

Sub: Regarding Final Time extension for Revetment work under Bero TL office up to 03.10.2021.

Ref. PO no. 5200030962.

Dear Sir,

With reference to above LOA, we have completed the revetment work in all respect i.r.o PO no. 5200030962 on 03.10.2021. As the project time extension already expired so, final time extension is required up to 03.10.21 and provisional time extension may be granted up to 31.03.2022 for billing purpose.

It may be noted that the delay for completion of above work is due to COVID-19 Pandemic and Lockdown since Mar-20, heavy rain and forest department approval from Chatra range etc. As the above delay is beyond our control, so it is requested not to deduct any LD and give final time extension up to the actual completion date i.e 03.10.2021.

So, please give final time extension up to 03.10.2021 and PTE for billing purpose upto 31.03.2022.

Thanking you
