Dear Sir,

The work of **765 KV substation extension at Chittorgarh** (Rajasthan) was awarded to Bharat Heavy Electrical Limited, Transmission Business Group, Noida. With reference to the above-cited subject, I have the followings quires from your good office that:

1. When the job was awarded to BHEL and what was the schedule of commencement & completion date of the project?
2. When the actually entire work completed & hand over the project to PGCIL?
3. If the project is delay by BHEL, is any LD or penalty imposed on BHEL?
4. How many times extension has been given to BHEL on account of project completion?

I herewith enclosing an **IPO No. 47F 285404** for Rupees 10 as a fee.

Your early reply will be highly appreciated.

Thanking You

Yours Truly
