**ORDER**

**Grounds of Appeal**

The Appellate Authority has received an online RTI Appeal bearing number PGCIL/A/E/22/00056 dated 28/12/2022 from Shri Rohit (appellant). Earlier, the appellant herein had filed an offline RTI application bearing number PGCIL/R/E/22/00379, dated 16/11/2022, which was returned/rejected by CPIO mentioning that the information sought is not clear. The instant appeal has been preferred on the ground that the CPIO has not responded with in the time limit.

**Order:**

I have seen the above referred RTI application. It can be seen that CPIO had returned/ rejected the RTI application mentioning that the information sought is not clear.

In my considered opinion, the information sought in aforesaid RTI application is not clear in essence. Despite the evident remark given by CPIO while rejecting the RTI application, the appellant herein has preferred an appeal. It can be seen that no further clarification has been given by the appellant. The Act in unequivocal terms provides that the information as is available can be provided subject to the exceptions provided under section 8. In view of the fact that information sought is not clear and the appellant has not provided any clarification (despite CPIO pointing it out), the information cannot be provided.

The appeal is accordingly disposed of.
