ORDER

Grounds of Appeal

The Appellate Authority has received an online RTI Appeal bearing number PGCIL/A/E/23/00003 dated 11/01/2023 from Sh. Yadvendra Yadav, (appellant). Earlier, the RTI application(s) bearing number PGCIL/R/E/22/00411 from appellant herein, were received by CPIO Corporate Centre. The instant appeal has been preferred on the ground that the CPIO have provided incomplete, misleading or false information.

Order:

I have seen the above mentioned RTI application where in the appellant herein had sought the information regarding the electric work permit used for electrical repair and any shutdown activities. I have also perused the reply dated 11/01/2023 sent by the CPIO and other relevant documents. It can be seen that the CPIO vide reply dated 11/01/2023 informed that the electrical work permit system in POWERGRID is as per Indian standards BIS-5216-1982. The appellant has preferred this appeal stating that the format is not provided in the RTI reply.

In my considered opinion CPIO vide reply dated 11/01/2023 have already provided the information.

The appeal is accordingly disposed of.
