Information Sought :	Dear Sir, I am working with the NHAI Project of Bharathmala Road project which is time bound and i am raising the query regarding the payment of interruption charges for shifting of utilities like LT/HT which are 11 and 33KV and EHT (132,220,400 KV Lines). For the shifting of these lines in NHAI Bharathmala Project is there any requirement to pay the interruption charges, or as per any circular interruption charges will be waived off ?. Kindly please respond quickly.	
Original RTI Text :	Dear Sir, I am working with the NHAI Project of Bharathmala Road project which is time bound and i am raising the query regarding the payment of interruption	

charges for shifting of utilities like LT/HT which are 11 and 33KV and EHT (132,220,400 KV Lines). For the shifting of these lines in NHAH Bharathmala Project is there any requirement to pay the interruption charges, or as per any circular interruption charges will be waived off ?. Kindly please respond quickly.
