To

The General Manager & CPIO
Southern Region Transmission System – II RHQ,
Singanayakanahalli, Yelahanka Hobli, Bengaluru – 560 064

Sir/Madam,

Kindly note that Power Grid 400 KV line is passing through a corner of my land where my Residence is already existing. When approached to State Electrical Inspectorate, Thrissur, Kerala 680001 to mark safety distance to construct a proposed one-storied building which is NOT under the Line, the said-office informed to contact your office to mark safety distance in the Plan of Drawings. Hence, I would like to get below informations as per RTI Act, 2005:-

- (i) If I submit my Drawing of proposed building to your office, whether Power Grid would issue NOC for this, marking safety distance?
- (ii) If I construct a new one-storied-building which is NOT under 400 KV line, Power Grid will raise objection or not?

Thanking you
Yours sincerely

SHEELA

Enclosures: (i) Paid challan for Rs.200/- dated 14.08.2023 (Reference: **PGJQ0SSIGODM dt 14.8.23**)

1500
