ORDER

Grounds of Appeal

The Appellate Authority has received an online RTI Appeal bearing number PGCIL/A/E/22/00062 dated 10/11/2023 from Sh. Sanjeev Singh, (appellant). Earlier, the appellant herein had filed an online RTI application bearing number PGCIL/R/E/22/00397 dated 07/10/2023, with the CPIO Corporate Centre. The instant appeal has been preferred on the ground that the CPIO has provided incomplete, misleading or false information.

Order:

I have seen the above mentioned RTI application filed by the appellant wherein the appellant had sought certain information regarding private tours of executives within and outside India. I have also perused the reply sent by the CPIO and other relevant documents. It can be seen CPIO vide reply dated 08/11/2023 had provided the information however, being dissatisfied by the information provided the appellant has preferred the instant appeal. The appellant has failed to mention in his appeal what information has not been provided, in fact it can be seen that the appellant is questioning or seeking reasons for executives being asked to provide information when they are undertaking foreign tours. In my considered opinion providing reasons for a particular information is clearly beyond the scope of the Act.

The information sought in the aforesaid RTI application has already been provided, the appeal is disposed of in the said terms.
