**ORDER**

**Grounds of Appeal**

The Appellate Authority has received an online RTI Appeal bearing number PGCIL/A/E/23/00060 dated 07/11/2023 from Ms. shikha, (appellant). Earlier, the appellant herein filed the RTI application bearing number PGCIL/R/T/23/ 00398, dated 07/10/2023. The instant appeal has been preferred on the ground that the CPIO has provided Incomplete, Misleading or False Information.

**Order:**

I have seen the above-mentioned RTI application. I have also perused the reply sent by the CPIO and other relevant documents. The appellant herein in his RTI application had sought certain information related to the Annual appraisal Report. CPIO vide reply dated 07/11/2023 had provided the information as available. However, the appellant has preferred this appeal stating that the information sought has not been furnished, without mentioning any specific point. The appellant in his appeal has not mentioned what information has not been provided. Simply stating that information has not been provided will not be of any help to appellant when information has been provided by the CPIO. The appellant could have been more specific in her appeal rather than mentioning information sought has not been furnished.

In my considered opinion the information has already been provided vide reply dated 07/11/2023.

Accordingly, the appeal is disposed of.
