Information Sought :	PGCIL is providing consultancy services to various Utilities, Central Public Sector Enterprises and private agencies in the areas of power transmission system planning and design, substation design and construction, transmission line engineering, contracting, project management services, development of SCADA, Energy efficiency, smart grid infrastructures, Transmission Assets Management Centers, etc., PGCIL consultancy income as per the annual report of 2022-23 was Rs. 509.29 Cr, while its income in FY 2021-22 was Rs.753.34 Cr. Regarding the income generated from the consultancy business of PGCIL, Please provide following information:  1. Under Section 41 of Electricity Act, 2003, PGCIL is required to share the revenue earned from other businesses with its customers. Please share the proportion of the revenue shared with customers in FY 2020-21, FY 2021-22, FY 2022-23 on account of consultancy business in accordance with Section 41 of the Electricity Act 2003.  2. As per Regulation 64 of CERC (Terms and Conditions of Tariff) Regulations 2019, any non tariff income earned from other businesses is required to be shared with the beneficiaries as per Central Electricity Regulatory Commission (sharing of revenue derived from utilization of transmission assets for other business) Regulations, 2007 or the amendments thereafter. Please share the proportion of the revenue shared with customers in FY2020-21, FY 2021-22, FY2022-23 on account of consultancy business in accordance with said regulations.  It is submitted that this matter is of public interest as sharing of such revenue with customers shall help in reducing the burden of transmission charges on the discoms which in turn will benefit the end customers.
