<b>Text of RTI First Appeal :</b>	<p>Sir, With respect to my RTI no PGCIL/R/E/24/00199, I have requested that please provide me information of 84 no of lines (with ckm of each line), for which LILO of POWERGRID transmission lines was done by other utility like state transmission utilities or other private utilities and terminated at their substations during Q3 FY 2022-23. I have also mentioned that i have tried this data on CEA website as directed earlier RTI no PGCIL/R/E/24/00081. But again, in reply of my RTI questions, CPIO Mr. A jagarnath rao has provide the same link. I have tried again in CEA and POWERGRID link as provided in RTI reply. but unable to find this numbers. This is very disappointing that after asking again and again, the CEA link is being provided. Sir, if this 84 number is clearly understandable from CEA report, please share that particular page with me or i will again request you to kindly provide me details from your end. as it will be readily available with company. in first appeal, i request to provide me details as asked in my RTI from your end. Sorry for any inconvenience. I have attached CEA report also.</p>
