<b>Information Sought :</b>	<p>Dear sir I have following queries regarding advertisement no. Advt. No. CC/11/2023 dated 17/10/2023.</p> <p>(1) I want to know total how many candidates are selected for CTUIL category wise give details of their marks.</p> <p>(2) There is one seat reserved for ST category in CTUIL in the above advertisement and I was having rank one in ST merit and rank 24 in UR merit and according to my ST merit I should be getting CTUIL as it was my first choice. According to UR merit I was not getting CTUIL but according to rule in that case if I am getting my first preference from category merit then category merit should be considered but I got my second preference Powergrid which is allotted as per UR merit without considering ST category and 1st preference. Why this happened? and if there is any rule regarding that please provide me in written.</p> <p>(3) Give me detail of rank marks scored by the ST candidate whom you allotted the CTUIL seat. I am attaching my result of powergrid and preference filled by me in this.</p>
