Since the project Manager KEC International Ltd., of B-144
Survey Park, Santoshpur, Kolkata - 700 033 installed a high
voltage Electricity Pole in front of my above land for drawing high
voltage electricity line over my land, I filed a writ petition in the
year 2012 for removal of said high voltage electricity line installed
in front of my aforementioned land being W.P. No. 21433 (W) of
2012 and the same has been dismissed due to lack of particulars.

At the time of execution of work the Project Manager, KEC
International Ltd., told an quarry that Power Grid Corporation (I)
Ltd., deputed them to execute the work. But the Learned Counsel
of Power Grid Corporation (I) Ltd., submitted before the Court
that the matter does not relate to them.

Hence, I want to seek following particulars.

1. Whether Power Grid Corporation (I) Ltd.,
deputed KEC International Ltd., to install
high voltage electricity Pole for drawing high
voltage electricity line over the above land

belonged to the applicant.

2. Whether the Power Grid Corporation (I) Ltd.,
is the controlling authority of the said high
voltage Pole and electricity line.

Yours faithfully,

Jagan Nath Mondal
