Sir,

- 1.0 This is in reference to your RTI application dated 19.07.2016 under RTI Act 2005 received through the Deputy Commissioner I/C, Biswanath Chariali District on 02.09.2016.
- 2.0 The point wise reply to your query's are furnished below:

Reply to Query no-01

As per provision of the Indian Electricity Act'2003 (as amended from time to time), there is no provision of land acquisition for laying of Transmission Line. POWERGRID uses land for construction of the transmission lines after paying only surface damage compensation (i.e. against standing crops/tress/Hut) and there is no change in Ownership of the land.

Reply to Query no-02

Notices are served to the pattadar/Owner against damaged zirat occurred during construction of transmission lines for assessment and payment of due compensation to the owners.

Reply to Query no-03 & 05

For construction of transmission lines, Right of Way (ROW) permissions under Indian Electricity Act'2003 have been obtained from concerned Deputy Commissioners of the districts through which the line is routed. A ROW permission form Sonitpur District pertaining to HVDC line is attached for reference.

Reply to Query no-04

After due verification of District revenue Authority, surface damage compensation against standing Crops/ Trees/hut are disbursed to affected land owners based on rates of concerned District Department of Agriculture, Forest, Sericulture.
