As per the desired data/document should be provided as per the Honorable Central Information Commission, New Delhi decision No. CIC/SG /A/2008/00248/1596 dated 10/02/2009 in connection with the appeal No. CIC/SG/A/2008/00248, wherein it is clearly stated that ... ".....when a person "is holding a public office, getting salary from the public exchequer and discharging public functions in a public institution, therefore whatever documents she has submitted in pursuance of her appointment to public office in a public institution falls in public domain." The act of applying for a job or a selection process is not a private activity but is clearly a Public activity, and disclosure of the documents and papers submitted to obtain the job cannot be held to be an invasion on privacy. This has also been held by the Commission earlier in decision CIC/WB /A/2007/00178, and the Commission agrees with the same. The Commission respectfully disagrees with the decisions relied on by the third party." (Copy of the said decision is enclosed for your information.)</p>
