Sub: Tower Package-TW-06 for the State of Manipur for 132kV Transmission system under NER Power System Improvement Project (Manipur Portion).

Ref: CC-CS/92-NER/TW-3774/1/G3/CA-I/7692 & CA-II/7693 dated 06.07.2018.

Dear Sir,

We are pleased to place this order on you for the Construction of 132kV Double Circuit Transmission Line Imphal (Power Grid) – Ningthoukhong, Manipur under Power Grid Coporation of India Limited, on the following Terms & Conditions.

1. Scope of Work

Your scope of Work under this work order is for Benching, Excavation and Casting of foundations, earthing, tower erection and stringing complete in all respect for the Subject Transmission Line. The Tower Schedule for stretch of the transmission line allocated to you for construction shall be given to you by our site office in Imphal, Manipur. Classification of soil for the construction of foundations shall be given to you by our Project Manager duly approved by PGCIL.

You shall perform the work covered under this Work Order as per Field Quality Plan for construction of this line and as per instructions of our Project Manager.

2. Rates & Quantities

The line has been surveyed and the various tower foundations to be erected are covered in the Tower Schedule for 132kV D/C Imphal (Power Grid)- Ningthoukhong T/L. The rates are inclusive of Head Loading and transportation of material from our store upto Construction sites.

3. Completion Period

The works covered under the scope of Work Order allotted to you shall be completed within a period of 10 to 12 months from the date of placement of order with minimum 5 foundation gangs to be deployed at any point of time.

4. Material requirement for the works:-

The reinforcement Steel & Cement required for the subject project are available in our store located at Imphal and you may draw the same from the Store Incharge of our Store. However, the other construction material required for construction shall be in your scope.
