Applicant Name Rajesh Sangwan

Text of Application

Respected sir my land and borewell came under tower no. 665 and 666 where your team worked between 2014 to 2017 during the process of installation of tower for 765KV line between Jaipur to Bhiwani. So I want to know the rates fixed by your organization for payment as a compensation to farmers in the year 2014 for undermentioned subjects: 1. For Cutting of Trees like sheesham having dimensions(girth 2.5 m and height 2.0 m). 2. For installation of new deep borewell.

Reply of Application

Point-wise information is as Below: 1.The rates of tree compensation is not fixed by POWERGRID. The amount of tree compensation to be paid is calculated, based on the rates provided by concerned Govt. Department by taking into account, the girth and species of the tree. 2.POWERGRID does not make compensation payment for installation of new deep borewell.
