Applicant Name Sumant kumar

Text of Application

Please provide following information regarding diploma trainees recruited in nr1 region in march 2021. 1. Why some people are allotted to operation and maintenance while some are posted in t/l construction if they belong to same stream 2. Why people are posted randomly why not given choice to the candidate. 3. The joining order for ojt itself says people will be rotated to different departments or locations such as operation and maintenance safety construction etc. then why people are not rotated till now? 4. Why some people are given harsh locations for on job training such as construction sites even though they belong to electrical stream while some are given operation and maintenance work at good cities?
