Text of RTI First Appeal :	<p>The RTI response for Point number 2 provides completely misleading/false information. It says that the owner of the land is Nirankar Singh while the response for point number 1 and 3 clearly show that the land is half owned by Nirankar Singh & Half by me (Onkar Singh). The "Fard" of the land is also in my name (Onkar Singh) along with Nirankar Singh, there is no boundary on the land nor any partition and neither any settlement on division of the land thus the entire land of khasra 303 is owned by both the parties.</p> <p>Secondly, the response to the RTI is completely proven false for point number 2 as the payment of Rs 37,790 Rs. was made into my SBI account number 30765712200 for crop/damage compensation through transaction number NEFT ICIC0000104 CMS1885589533 on 02/04/2021 from Power Grid's account. When payment was made to me how can the RTI say that there is no proof of payment or no documents proving the ownership and payment made to me? Thus requesting to please direct the PIO to provide complete and true information.</p>
