ONLINE EXAMINATION INSTRUCTIONS

1. Total duration of test/examination is as mentioned in the E-Admit card.

2. The clock will be set at the server. The countdown timer in the top right corner of screen will display the remaining time available for you to complete the examination. When the timer reaches zero, the examination will end by itself. You will not be required to end or submit your examination.

3. The Question Palette displayed on the right side of screen will show the status of each question using one of the following symbols:

   1   You have not visited the question yet.

   2   You have not answered the question.

   3   You have answered the question.

   4   You have NOT answered the question, but have marked the question for review.

   5   The question(s) "Answered and Marked for Review" will be considered for evaluation.

Navigating to a Question :

4. To answer a question, do the following:

   a. Click on the question number in the Question Palette to go to that question directly.
   b. Click on **Save & Next** to save your answer for the current question and then go to the next question.
   c. Click on **Mark for Review & Next** to mark the current question for review, and then go to the next question.
   d. **Caution:** Note that your answer for the current question will be not be saved, if you navigate to another question directly (**without saving the answer**) by clicking on its question number.

Answering a Question :

5. Procedure for answering a multiple choice type question:

   a. To select your answer, click on the button of one of the options.
   b. To deselect your chosen answer, click on the button of the chosen option again or click on the **Clear Response** button.
   c. To change your chosen answer, click on the button of another option
   d. To save your answer, you MUST click on the **Save & Next** button.

   To mark the question for review, click on the **Mark for Review & Next** button. *If an answer is selected for a question that is Marked for Review, that answer will be considered in the evaluation since there is NO negative marking for wrong answer.*
