Reply to Query no.1

Survey report is already provided to the applicant (Sh. Sunny Deep Joneja) in respect of another RTI request dated 22.09.2020 whose reply is already sent to the applicant on 21.10.2020

Reply to Query no. 2

The distance provided in regulation 61 of CEA safety regulation 2010 is required to be followed while laying of transmission line nearby any pre existing brick kiln.

Reply to Query no. 3

As per LOA, project was to be completed by 30.09.2018. Due to resistance & obstruction, POWERGRID filed CWP 32701/2018 against state of Punjab & others which was subsequently withdrawn on assurance of state government and now project has started as Deputy Commissioner, Mohali has passed an order allowing POWERGRID to work by removing obstruction and resistance.
