Information Sought :	<p>In 2018, NR- II (HR and Management) has recruited Field engineers and Field supervisor for a period of 3 years and above till completion for undertaking RE works in Jammu, Kashmir and Ladakh for the DDUJGY and PMDP projects .In order to complete the project, further extension to FTB engineers based on interview and performance was released vide Selection list dated 04.01.2022, thereby, dropping few most experienced engineers out of the selected list of 43. This pick and choose method of the selected engineers has aroused suspicion in the minds of terminated engineers.</p> <p>Now I request to please provide the explanation of above matter What was the criteria laid in selection of the engineers. Why some most experienced engineers have been dropped from the list of 43 without following any justification and norms by the management committee. Why prior notice has not been served to the terminated engineers. Why has it taken a long time of 3 and a half year to assess the performance of the FTB engineers.</p>
