The Power Development Department

Jammu(Kathua)

SUB:-COMPLAINT AGAINST ILLEGAL USE OF ELECTRICITYs.

R/S

I Sr Daljeet Singh S/o Amrik Singh R/o Saktachak, Behind Jhelum Dhaba Teh & Dist t Kathua Would Like to Complain against running Khadi industry (Welding workshop) the name is Romet Automobiles & Baghat trolley works. Beside my residence. A lot of illegal connection may be 30 To 40 illegal connections. The lot of People lives in around 30 to 40 years. Why electricity PDD Department not provide the Connections. PDD office peoples like Linemans , JE. Take Brive for illegal Connection & the workshop is illegially running & Linmens & JE Visit Per month in this area. In this area there is only one Service line in Single Phase. The Said Workshop is Running One & Half Years. They Said workshop is using all kind of Khadi industry in the same Phase. This is a Agriculture & Residential Area, So how to Provide commercial Connection using electricity without Personal transformer.They said work Starts

From 7 AM to Late at Night 1-2 Am. They have no personal transformer & We Ask you Please Check his machines load & compare it with electric meter & electric Bill. May Please Be Verified:-

1 COMMERCIAL LAND PAPER OR INDUSTRIAL.

2 POLLUTION CERTIFICATE OF J&K.

3 STATE POLLUTION BOARD.

4 LIST OF LAND MACHINERY SITE PLAN.

Feasibility from Chief Engineer SSO wing.

It is also Heightlighted that the JE & Linemans are frequently visiting the workshop. Inspite of their visits is not under stood. How they visiting fo r the many Years and Not Provide Connections to peoples.Please may be Verified.

Thanks
