Rae Bareli, Pin : 229001
Mob. No. 9415745332

Sub.: 1st Appeal filed by Shri Sharad Mehrotra under the Right to Information Act, 2005 for not providing satisfied answer of RTI application bearing registration no. POWER/R/E/20/00563 dated 03.08.2020.

Sir,

This has reference to Ministry of Power Letter F.No. 22/1/2020-IPDS (251396) dated 12.10.2020 on the subject.

In line with the decisions regarding above subject appeal, please find attached information pertaining to point (a) i.e. the work of consumer indexing, computerized billing etc. for Raebareilly town under APDRP (MVVNL Letter No. 456/ MVVNL/ APDRP/ PGCIL/ Raebareli/ Sultanpur dated 16.12.2006) which is self contained.

Yours Sincerely,

(Rana Pratap)

GM (PESM) & Designated CPIO, NR-III

Letter No. 456/MVVNL/APDRP/PGCIL/Raebareli/Sultanpur

Dated 16/12/2006

Subject:- APDRP work in Sultanpur & Raebareli Town.

Shri S.K. Gupta
AGM, PGCIL,
Lucknow

Please take reference of your visit dated 14.12.06 to undersigned office of Madhyanchal Vidyut Vitran Nigam Limited in connection with Project Cost revision of APDRP Scheme of Sultanpur & Raebareli. In this regard be apprised of our letter No. 296/MVVNL/APDRP Dated 29.06.2006 in which on basis of your recommendations for possible reduction & details sent by you on 21.06.2006 and as well as per contractual provision to vary the actual quantities up to a financial limit of 20%, you were advised to reduce the following work in contract.

<u>3. In Sultanpur Town</u>	<u>Quantity</u>	<u>Estimated Cost</u>
10 MVA	1 No	} <u>3.19 Crore</u>
11 KV Capacitor Bank	8 No	
New 11 KV Line	10 Km.	
New LT Lines	20 Km	
11 KV Reconductoring work	6 Km	
LT Reconductoring work	35 Km	

and Supply of meter test Benches - 2 No. Rs. 1.07 Crore

Total Reduction Amount-Rs. 4.26 Crore

<u>4. In Raebareli Town</u>	<u>Quantity</u>	<u>Estimated Cost</u>
33 KV New Lines	9 Km.	} <u>Rs. 2.85 Crore</u>
11 KV New Lines	14.5 Km.	
11 KV Reconductoring work	52 Km.	
LT Reconductoring work	54 Km.	

and Supply of meter test Benches - 2 No. Rs. 1.07 Crore

Total Reduction Amount-Rs. 3.92 Crore

2004-2071756
S.K. Gupta
S.K. Gupta

This entire exercise was carried out on the basis of facts & figure provided by you and mutual agreement. It is regretful to note that no action has been taken in this regard till date.

On account of above reduction in work cost of Sultanpur & Raebareli APDRP Scheme would be as under:-

Sultanpur

Approved project cost	Rs. 28.08 Crore
Contractual project cost	Rs. 27.92 Crore
Proposed Reduction	Rs. 4.26 Crore
Contractual project cost	Rs. 23.66 Crore
After @ 5% Price Escalation	Rs. 24.84 Crore
After @12.24%Supervision charges of PGCIL	Rs. 27.88 Crore
(Including Service charges of 10.2%)	

According to Ministry of Power, Government of India approved project cost can escalate up to maximum limit of 10%. Therefore the project cost can go up to 30.89 Crore. Total cost of this project inclusive of Power Grid Corporation of India, Consultancy charges, Service Tax & Price escalation is Rs. 27.88 Crore.

This amount is still Rs. 3.00 Crore less than the project cost as allowed by Ministry of Power, from above calculation it is clear that still Rs. 3.00 Crore. balance is left for other works.

Above balance amount of Rs. 3.00 Crore appears to be sufficient to meet the expenditure against the work of Consumer indexing, Billing and Meter installation of Sultanpur town as proposed.

Raebareli

Sanctioned (Approved) project cost	Rs. 27.75 Crore
Contractual project cost	Rs. 26.82 Crore
Proposed Reduction	Rs. 3.92 Crore
Contractual project cost after reduction	Rs. 22.90 Crore
After @ 5% Price Escalation	Rs. 24.04 Crore
After @ 12.24% Supervision charges of	Rs. 26.98 Crore
(Including Service charges of 10.2%)	

According to Ministry of Power, Government of India approved project cost can escalate up to maximum limit of 10%. Therefore the project cost can go up to 30.52

Cre. Total cost of this project inclusive of Power Grid Corporation of India, Consultancy charges, Service Tax & Price escalation is Rs. 26.98 Crore.

This amount is still **Rs. 3.54 Crore** less than the project cost as allowed by Ministry of Power, from above calculation it is clear that still **Rs. 3.54 Crore. balance is left for other works.**

Above balance amount of Rs. 3.54 Crore appears to be sufficient to meet the expenditure against the work of Consumer indexing, Billing and Meter installation of Raebareli town as proposed.

As per above details & facts it is clear, that under the present circumstances both projects of Raebareli & Sultanpur respectively, can be executed within present sanctioned Project Cost along with proposed Consumer indexing, Billing & Meter Installation work.

This is for your information and necessary action.
