Information Sought :	<p>By taking HBA loan first installment of Rs.23,12,200 from POWERGRID at my door, Mathura Vrindavan Development Authority bought a plot to build a house in approved colony for housing, which I got registered in my name. After that I was asked by POWERGRID NR-3HR to submit the documents by mail, copy of the mail is attached. In the above mail, I have also been asked to submit the mutation certificate of the plot in my name, but when I talked to the lawyer and the patwari of the registry office, they told me that the MUTATION CERTIFICATE of 143 registered plots or approved colony plots (in your name). side) is not possible.</p> <p>Please clarify to me whether MUTATION CERTIFICATE (in favor of my name) is required or not, If required so please tell me how to make it (Because the lawyer and the patwari of the registry office told me that it is not possible to make mutation certificate of 143 registered or approved colony plots in favor of my name).</p>
