Information Sought :	<p>I am writing to express my concern regarding the selection process for Junior Officer Trainees HR in NR3 at our organization. It has come to my attention that out of the total 4 students selected, 3 have MBA degrees, despite it being clearly stated that candidates with an MBA degree are not eligible for selection.</p> <p>This discrepancy is not only unethical but also raises questions about the transparency and fairness of the selection process. It is unfair to other candidates who followed the guidelines and were eligible for selection but were not chosen.</p> <p>I request that immediate action be taken to rectify this situation and ensure that such discrepancies do not occur in the future. Transparency and fairness are essential in maintaining the integrity of our organization, and I trust that this matter will be addressed promptly.</p>
