Text of RTI First Appeal :	<p>Sir, This is in regarding to my RTI application filed with Power Grid Corporation of India on 02/05/2024. The CPIO sitting at Lucknow has provided only misleading reply in spite of providing me 5 points informations as I have asked. He mentioned there are two nos. of double cct txn lines from Unchahar to Kanpur 220KV DC 1&2 and 220KV DC 3&4 and need clarification from me. Sir for your kind information I have clearly mentioned Power Grid transmission Tower no. POWER GRID UNC-KNP 0013 , mostly about which Tower I needed informations. Moreover a team headed by an official of Power Grid office at Raebareli (mb no. 8840823962 name not exactly known may be Pg D P Singh) visited the site physically with me. Sir, usually I need informations about txn tower no. POWER GRID UNC-KNP 0013. But if both txn lines have same Power txn tower numbers, then CPIO may provide me all the information which I seek for both the lines. So, You are kindly requested to provide me my five points informations which I have mentioned in my RTI application. Thanking you in anticipation. Faithfully yours Hari Kishan Maurya (AMIE) MAURYA MEADOWS, NTPC Road Unchahar Raebareli U P</p>
